AFTERWORD

Thank you for the purchase of Shinryaku! Ika Musume Official Fan book!

Thanks to the support of all the readers, there's now an anime adaptation and a fan book. I truly am grateful from the bottom of my heart!

With the anime adaptation of Shinryaku! Ika Musume, I was able to look at my work objectively, and I made many discoveries. Creating my work has an effect. The Ika Musume anime has become something that I can't see as my original work.

I will persevere and try my best, so please continue to enjoy both the original work and the anime!

▲ I redrew Ika Musume from Chapter 1, Page 4. The most crucial change being her chest and hat..
